Service: Snow Program

Service Definition: Non- emergent snow removal for Missaukee County seniors, 60 years of age or older.

Services include:

- Plowing snow (Up to 150 foot drive).
- Shoveling one entrance to the home.
- Clearing out in front of the mail box.

Snow Removal Providers also observe, report, and record any change in client's condition and home environment. All changes and/or concerns are to be reported to the Business Manager.

Snow Program limitations:

- Must be a full-time Missaukee County resident/homeowner.
- Must be 60 years of age or older.
- Not an emergency service.
- Plowing occurs after 4 inches of new snow.
- Plowing will not be done during active snow storms.
- Not an on-call program.

*Clients are responsible to move their vehicles when this service is being provided.

*The MCCOA does not guarantee a specific day or time for services to be completed, though it is the expectation that the service be completed within 36 hours after a snowfall.

*The MCCOA Snow Program season starts December 1, 2017 and ends March 31, 2018 or until the budget has been expended.
